Present a Paper | Deadline: January 15, 2024

Abstract Submission now open!

Please E-mail your Abstract to: m577tony@gmail.com

Information needed for abstract review committee:

- Abstract of 500 words or less including a statement of the research or policy question and the contribution made by the paper; as well as method(s), model(s) and, if applicable, relevant data including time frame and geographical scope; paper title; and paper topic area (three appropriate codes from the [JEL Classification System](#)).
- Paper presenter's name, professional affiliation, mailing address, e-mail address, academic degrees held; same information for all coauthors.
- Paper presenters may be asked to serve as a discussant for another volunteer paper in order to ensure that everyone receives comments on their research.
